

Dear Friends of Hellenic Paediatric Anaesthesia!

The ESPA is delighted to welcome colleagues and friends from all over the world in beautiful Athens for our annual Conference.

The program covers current topics presented and discussed in lectures, panel discussions, problem-based learnings sessions and workshops.

Both expert paediatric anaesthesia providers and less experienced colleagues with an interest in paediatric anaesthesia will be addressed during the conference.

Beyond sessions and panels, we are proud to present abstracts submitted by friends of the ESPA.

Finally, the program leaves space and opportunity to network, discuss and share knowledge.

We are happy to welcome you to meet and join the ESPA community.

Looking forward to see you end of September in beautiful Athens,

*Michael Brackhahn, MHBA*

ESPA President
